## SPAS & LEISURE

Elite Spas & Leisure are southwest England's leading supplier of high quality American style Hot Tubs as well as Swim Spas and Saunas from Aspen Spas & QCA Spas. We also supply the necessary chemicals and equipment. We operate across two sites in Devon and Cornwall and offer a specialist [Swimming Pool](#) centre.

Elite Spas also offers outbuildings for all your needs, from Garden Offices and Summerhouses to Greenhouses and Sheds.

Garden buildings solve a number of space issues, whether you want somewhere to relax, to enjoy the garden, to swim or to have a hot tub. Or a space away from the kids to work, either as a home office or as a workshop for your hobby. We pride ourselves on being able to offer the help and advice to ensure you make the right and best choice for you.

We also bring all the trades under one roof and offer a complete service, from the first spade into the ground to the finishing coat of paint; we are able to provide all your garden building needs.

Elite Spas & Leisure SW Ltd is a local South West company trading from the front of the car park of Trelawney Garden Centre Wadebridge. We also have a Showroom in Fermoy's Garden Centre Ipplepen, Newton Abbot.

We provide a vast range of Leisure products so you can relax and unwind and make the most of your garden.
